### **MOTTO:**

**Haughton Elementary Bucs...Anchored in Excellence**

### **MISSION:**

**Win the day the Buccaneer way!**

### **VISION:**

**We will use our anchored foundation to advance our students in learning, in leading, and in life.**

## STUDENT AND PARENT RESPONSIBILITIES

The student in his/her role as a learner will:

1. become an active participant in the learning process
2. accept responsibility for receiving and completing assignments
3. become familiar with and follow school expectations
4. respect authority of all faculty and staff
5. strive to do his/her best in all areas of school life

The parents/guardians as partners in the educational process should:

1. attend scheduled parent-teacher conferences and sign-up for the Remind app
2. respond to written communication in a timely manner
3. become informed about school policies and procedures
4. make every effort to provide needed supplies and materials
5. work with children on homework assignments
6. model a positive attitude toward school

## SCHOOL HOURS

The school hours are 8:10am until 3:10pm. The tardy bell is 8:15am. *If your student is eating breakfast on campus, they must be finished eating by 8:10am.* Should a student arrive after 8:15am, an adult must sign the child in at the office. Tardiness and early checkout is disruptive to the class. Please make every effort to get your child to school on time.

## CHECKING IN/OUT & TARDIES

Students will not be released to anyone other than the parents or legal guardians unless prior written notice has been given to the school. **Please include names of people allowed to check your child out on the yellow emergency card.** It is very important that you contact the school with any address or phone number changes so we can update our records. **A picture I.D. is required to check students out.** Children are to be picked up at the school office when they are being checked out. If your student checks in from 8:15-9:45am, they receive an a.m. tardy. If they check out between 9:45am and 2:00pm, they receive a half day absence. If your student checks out from 2:00-2:30pm, they receive a p.m. tardy. Perfect attendance for academic assemblies must have no tardies or check outs. **No checkouts after 2:30 p.m.** Allow enough time for students to write down assignments and get their things together when checking out early.

## TRANSPORTATION CHANGES

**Transportation changes cannot be made over the telephone, email, or fax.** To make a change, send a note with your child to school that day. **Students are only allowed to ride the bus to their home address, and not to homes of family and friends, per the Bossier Parish Transportation policy.**

## SCHOOL BUS CONDUCT

School bus guidelines have been adopted by the Bossier Parish School Board in order to provide safe transportation to and from school. It is a privilege, not a right, to ride Bossier Parish school buses. All Board policies are strictly enforced on school buses. The bus operator, together with the principal, assumes full responsibility for the discipline of students who ride the bus. Should an infraction occur, the bus operator will notify the principal in writing. The principal has the sole authority to determine punishment, if warranted. The responsibility for supervision of students

begins at the bus stop in the morning and ends when students exit buses at the end of the day. On-time delivery and student safety are the primary goals of each bus operator.

**When riding the school bus, every student will:**

1. Follow the Bus Transportation rules as directed by the bus operator and the student's principal.
2. Report to the assigned bus stop at least 5 minutes before the scheduled arrival time; the bus stops will be assigned by your student's bus operator.
3. Not bring on the bus objects that are too large to be held in the student's lap or to fit under the seat (including large band instruments, projects, and other large objects).
4. Assist the bus operator in maintaining a clean and sanitary bus; students who damage/destroy buses are appropriately disciplined/assessed for damages.
5. Not exit the bus at a different stop from their assigned stop without written authorization from the principal. The note must be presented to the operator at the start of the afternoon run.
6. Remain seated with backs against the seat, backpacks in lap, facing forward in the student's permanently assigned seat, while the bus is in motion and during stops for other students. The bus operator is responsible for seat assignments.
7. Only talk quietly to your neighbor. Vulgar language and bullying of other students will not be tolerated.
8. Adhere to the dress code for each school.
9. Not eat on the bus. (Students may carry water on the bus in plastic bottles)
10. Not extend arms out of windows or doors; not throw objects out of windows.

NOTE: A violation of a bus rule may result in loss of bus privilege and or disciplinary action. All buses are equipped with video cameras that constantly monitor student passengers. Bus operators are permitted to make reasonable rules for the safe transportation of students. See the transportation website for additional bus safety tips.

**STUDENT DROP OFF AND PICK UP**

Most of our students ride the bus to and from school. If you bring and pick up your child in a personal vehicle, please note the student drop off and pick up area. If you are picking your child up after school, please get in the car line on the south side of the campus. It helps the line go faster if everyone loads quickly and pulls as far forward as possible. Please see car pick-up safety rules below. Students may not be dropped off in the bus line or at the front office during morning drop off times.

**CAR PICK-UP SAFETY RULES**

1. **Car rider tags** will be available at Meet the Teacher night and must be in clear sight on the rear view mirror of the vehicle that will be used to pick your child up. Car rider tags can also be picked up in the office if you need one at a later date. After Christmas, any needed car tags may be purchased for \$1.00 in the office.
2. Observe traffic entrance/exit/stop signs. Do not leave cars unattended.
3. Yield to the school buses and follow commands of our employees directing traffic.
4. It is against the law to use cell phones and other electronics during drop off and pick up.
5. Keep your position in the car line leaving only small gaps between cars until you reach the loading/ unloading zone. *Do not pass other vehicles in the car line.*
6. Do not block the bus lanes, fire lanes or handicapped parking areas.
7. Wait for the staff to signal that students may begin loading or unloading cars.

8. Students may be dropped off between 7:50am-8:15am. Follow car line traffic to the back of the campus and follow around the south end of campus beside the sidewalk. **DO NOT DROP YOUR CHILD OFF UNTIL 7:50am WHEN A STAFF MEMBER IS ON DUTY.**
9. Students should be picked up *no later than* 3:20pm each afternoon.

## **WALKERS**

If your student lives on one of the streets listed below, they may walk to school utilizing the sidewalk behind the gym; bus transportation *will not* be provided. These streets are **Foxchase Drive, Alex Way, Amberwood, and Cross Drive**. Duty teachers will not be on duty to monitor safety until **7:50am** each morning; students may not walk onto campus until this time. We prefer an adult walk them to the point they see a duty teacher. These students may also ride bicycles and leave on the bike rack provided on campus. Parents will not be able to walk their student to the classroom each morning. *Walkers cannot bring to and take home additional students who do not live on the assigned streets above.*

## **ATTENDANCE**

The state of Louisiana has attendance laws. After five unexcused absences the student is referred to the Truancy Center. State requirements allow a student to be excused from school for the following reasons only:

1. Personal illness (with a physician's excuse)
  2. Serious illness in the family
  3. Death in the family (not to exceed one week)
  4. Recognized religious holiday (with prior approval of the principal)
  5. Extenuating circumstances verified by the Supervisor of Child Welfare and Attendance
- \*For a student to receive perfect attendance each grading period, they **MUST** be present from bell to bell with no check-ins or check-outs.

**Students with more than twenty (20) unexcused absences may be retained.**

## **STUDENT ENROLLMENT**

Basic requirements for new student registration (all grades): All students must have:

1. Copy of certified birth certificate
2. Current Louisiana Immunization Record
3. If a new student in grades 1-5, previous school records
4. Photo ID (Driver's license, State issued ID, or Military ID)
5. Custody papers, if applicable (MUST have the signature of a judge)
6. Proofs of Residence (see new district requirements below)

ALL students residing with a parent or legal guardian must submit the following in order to be enrolled in the Bossier Parish School District:

1. One (1) current utility bill showing the physical address for service within the District;

AND

One (1) of the following that shows location of residence within the District;

- Apartment or home lease or, if no lease, a notarized statement of the verified property owner (see school registrar for additional information required)

- Declaration of Residency and/or personal visit by designated District official.

\* If the student resides with a legal guardian, the court decree must be provided.

### **TRANSFERS/WITHDRAWALS**

Parent or guardian should come to the school **prior** to the child's last day of attendance to fill out a withdrawal form.

### **SEVERE WEATHER AND EMERGENCIES**

During weather alerts and emergencies in our area:

Please do not call the school. The phone lines get jammed and no one can call in or out. Listen to your local T.V., radio, and district websites for announcements from the school board. If we dismiss early, your child will be put on their regular bus (unless you have been directed otherwise) and taken to your home. If no one is there, the bus driver will return the child to the school. We will keep the returned children at the school until a parent can be reached and they are picked up.

### **PTO**

Haughton Elementary has a Parent Teacher Organization. They meet regularly to discuss the upcoming events/needs of our students and staff. Be looking for more information in the fall and join the HES PTO Facebook page.

### **FUNDRAISING**

The primary source of income for our school comes from fundraisers, and are used for student rewards, technology and student/teacher resources. We will host two main fundraisers, one in each semester.

### **CLASS PARTIES AND BIRTHDAY CELEBRATIONS**

Classes will have two parties a year. These parties will be for Christmas and End of the Year. Treats may be sent to go home in treat bags for other holidays and celebrations. Contact your child's teacher if you'd like to send a treat to school to celebrate your child's birthday. The student can bring the birthday treats to school, or a parent can drop them off in the office. Parents will not be allowed into the classrooms to celebrate birthdays, as it will interrupt instruction. Thank you for understanding.

### **CAFETERIA/PAYMENTS**

HES participates in the Community Eligibility Provision (CEP) Program. All students enrolled are eligible to receive one free breakfast and lunch at school at no charge for the 2023-2024 school year. If your child owes a balance on his/her account, all charges must still be paid. According to Louisiana State Law, soft drinks (even in sack lunches) and outside food service foods (ex: restaurants, fast foods) in their original wrappings are not permitted in the cafeteria. Family members who bring these items to students in original wrapping, bags, cups, etc. will be asked to remove them from the cafeteria. The cafeteria manager is Ms. Ashlea Meredith. If you need information regarding the lunch program, she can be reached at 549-7450.

### **CONFERENCES**

We welcome your requests for conferences. Virtual, phone, and in-person conferences with teachers should be arranged so the meeting takes place before school, after school, or during

the teacher's planning time. Conferences can be scheduled by sending a note to the teacher, contacting them by email or calling the teacher's voicemail. If you request a conference and do not hear back from the teacher, please contact an administrator at the office to help schedule a conference.

### **LOST & FOUND / TOYS**

All misplaced items found on school grounds will be placed in the lost and found room in the front office. Toys, electronic devices, phones, collector cards, etc. **should not** be brought to school or on the bus. Please see the district electronic device policy for procedures on pick-up; parents may pick these items up at the office.

### **HOMEWORK**

Homework will be assigned to students, but will *not* count as part of their grades. Each student and parent has access to homework assignments through a weekly assignment sheet or digital communication from the teacher.

### **MAKE-UP WORK/MISSING ASSIGNMENTS**

Make-up work will be allowed for excused absences only. **If make-up work is needed after a child is absent for more than two days, please call the office to schedule a pick up.** Students absent for several days due to illness or injury have the same number of days to complete missed assignments. If there are extenuating circumstances, please talk with the teacher.

### **STUDENT ILLNESS**

When your child is sent home with a fever, vomiting, or diarrhea, he/she should not return to school until they are symptom free for at least 24 hours without medication. When a student is hurt, minor injuries will be treated at the office. Others may require parental attention - you may be notified by the school and asked to come. For this reason, **please be sure to keep all contact numbers current** at the school. Notify the teacher and front office of any changes in information.

### **GRADES/REPORT CARDS/ACADEMIC ASSEMBLIES**

Every **Tuesday** your child will bring home graded papers in a RED folder to be reviewed and signed by a parent. Progress Reports will be sent home midway through each grading quarter; we will have four 9-week academic quarters. There will be an academic assembly after each 9-week quarter; parents are welcome to attend.

### **LIBRARY BOOKS**

Students in grades 1-5 will be allowed to check out library books on a weekly basis. Books that are not returned on time will be considered overdue. Overdue book fines must be paid in order to check out more books.

### **STUDENT OF THE MONTH**

Every month one student from each homeroom class will be recognized for modeling our expectations. They will receive a certificate and a snack sale coupon.

## **STUDENT OF THE YEAR**

The Student of the Year Awards Program is designed to recognize outstanding elementary students. This program is an excellent opportunity to recognize those students in **5<sup>th</sup> grade** who have demonstrated excellent academic achievement, leadership ability, and citizenship. The Students of the Year Awards Program is sponsored by the Louisiana State Superintendent through the State Department of Education and the State Board of Elementary and Secondary Education.

A rubric provided by the district will be used to score and rank students in all of the above categories. Top-scoring students from among this group will be asked to complete an impromptu writing sample. The committee will use a rubric provided by the district to score the writing sample. The combined resume' and writing scores will be used to further qualify students to move to the next level of the selection process.

In the next level of the selection process, qualified students will be individually interviewed by the selection committee. A rubric provided by the district will be used to score the interview. The student with the highest combined resume, writing, and interview score will be selected as Student of the Year at the school level. In the event of a tie, the committee will conduct a second interview to make the final determination.

The student selected as Student of the Year at each school will be required to assemble an academic portfolio which will be used as part of the selection process at the district, regional, and state levels. The school level committee will assist the candidate in assembling and submitting the academic portfolio to the district Student of the Year coordinator. A list of portfolio requirements will be provided to the Student of the Year and his/her parents.

## **CLUBS**

We encourage students to join and participate in our school clubs. Students can also earn membership into Math and A.R. clubs. These clubs provide excellent opportunities for students to improve and excel in various areas. Club membership also gives students the opportunity to be recognized and rewarded as they participate. Some clubs will have age and/or academic requirements.

## **POSITIVE BEHAVIOR INTERVENTION SUPPORT SYSTEM (PBIS)**

Haughton Elementary uses the Positive Behavior Intervention Support System in order to assure classroom management as well as provide a positive learning environment. We work hard to adjust and change the way we approach discipline problems and support the students who exhibit excellent behavior. The students earn BUCS (points) for displaying good behavior by being "Ready, Respectful, and Responsible". They have the opportunity to spend the BUCS earned at our online PBIS store. Included in the program is the use of extra support from our counselor to work with students that have recurring behavior problems. We look forward to helping all of our students become ready, respectful, and responsible.

**BUCS "argh" Ready, Respectful, Responsible!** Parents can visit our school's website, *haughtone.bossierschools.org* where you can request assistance for secondary PBIS for additional behavioral support. See the charts below that identify and define minor and major infractions.
